Welcome to TSL

A PREMIER APPAREL SOURCING AND MANUFACTURING HUB

Texella Sourcing Ltd. is a premier apparel sourcing and manufacturing hub, dedicated to providing international retail brands with seamless, end-to-end solutions. Our name, "Texella," is a fusion of "Textile" and "Umbrella," symbolizing our comprehensive approach to garment sourcing—bringing every aspect of the process under one roof.

With a strong commitment to quality, compliance, and sustainability, we ensure that every product meets the highest industry standards while adding value to our partners' businesses.

Vision & Mission

At Texella Sourcing Ltd., we redefine apparel sourcing by combining expertise, innovation, and sustainability under one strategic platform.

The name "Texella" embodies the fusion of "textile" and "umbrella," symbolizing our all-encompassing approach to garment sourcing.

We aspire to be the ultimate one-stop solution for global retail brands, adding value to the industry while championing environmental sustainability.

Our mission is to lead the apparel industry by delivering excellence in sourcing, design, and manufacturing, ensuring ethical practices and unmatched efficiency.

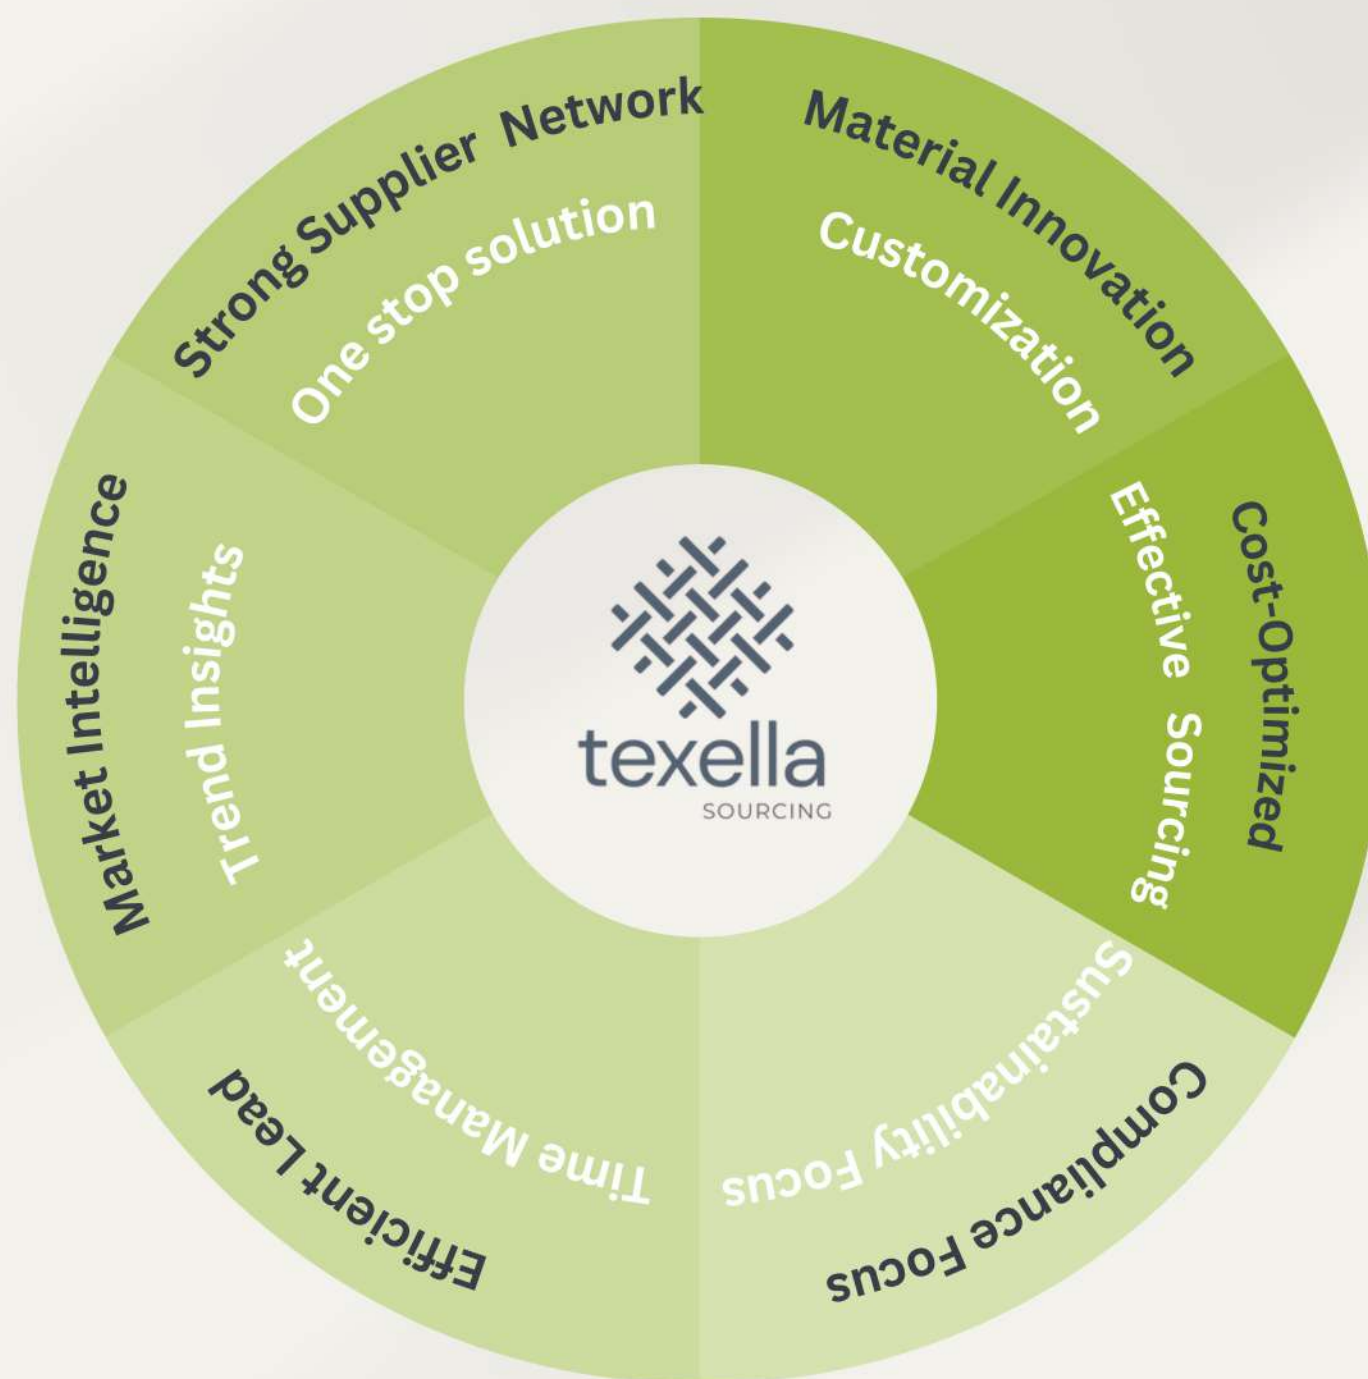

Values

Drive us forward

Expertise in Strategic Sourcing

At Texella Sourcing Ltd., we take a strategic approach to apparel sourcing, ensuring that our clients receive the best quality products at the most competitive prices. Our extensive industry experience and deep-rooted supplier network allow us to provide end-to-end sourcing solutions tailored to global retail brands.

We have established relationships with top-tier fabric mills, trim suppliers, and compliant garment manufacturers across Bangladesh and beyond. Whether it's sustainable fabrics, functional textiles, performance materials, or trend-driven designs, we source and develop materials that align with our clients' needs.

We source from certified vendors who meet international standards such as OEKO-TEX, GRS, GOTS, SEDEX, and RSC, ensuring ethical and environmentally responsible production.

Our sourcing team stays ahead of market trends, offering insights into fabric innovations, seasonal trends, and cost-effective alternatives to keep our clients competitive.

By combining industry expertise with a data-driven, agile sourcing strategy, Texella Sourcing Ltd. delivers value-driven solutions that empower brands to scale and succeed in a competitive marketplace.

Let's create something extraordinary together!

Redefining Fashion with Design & Innovations

Trend-Driven Creativity

Our design team stays ahead of global fashion trends, forecasting upcoming colors, textures, and silhouettes to create products that captivate consumers.

Material & Textile Innovation

From eco-friendly fabrics to high-performance textiles, we explore and develop cutting-edge materials that enhance both aesthetics and functionality.

Bespoke Design Development

Whether it's streetwear, athleisure, contemporary fashion, or luxury essentials, we collaborate with brands to create exclusive designs that stand out in the market.

Technology Infused Solutions

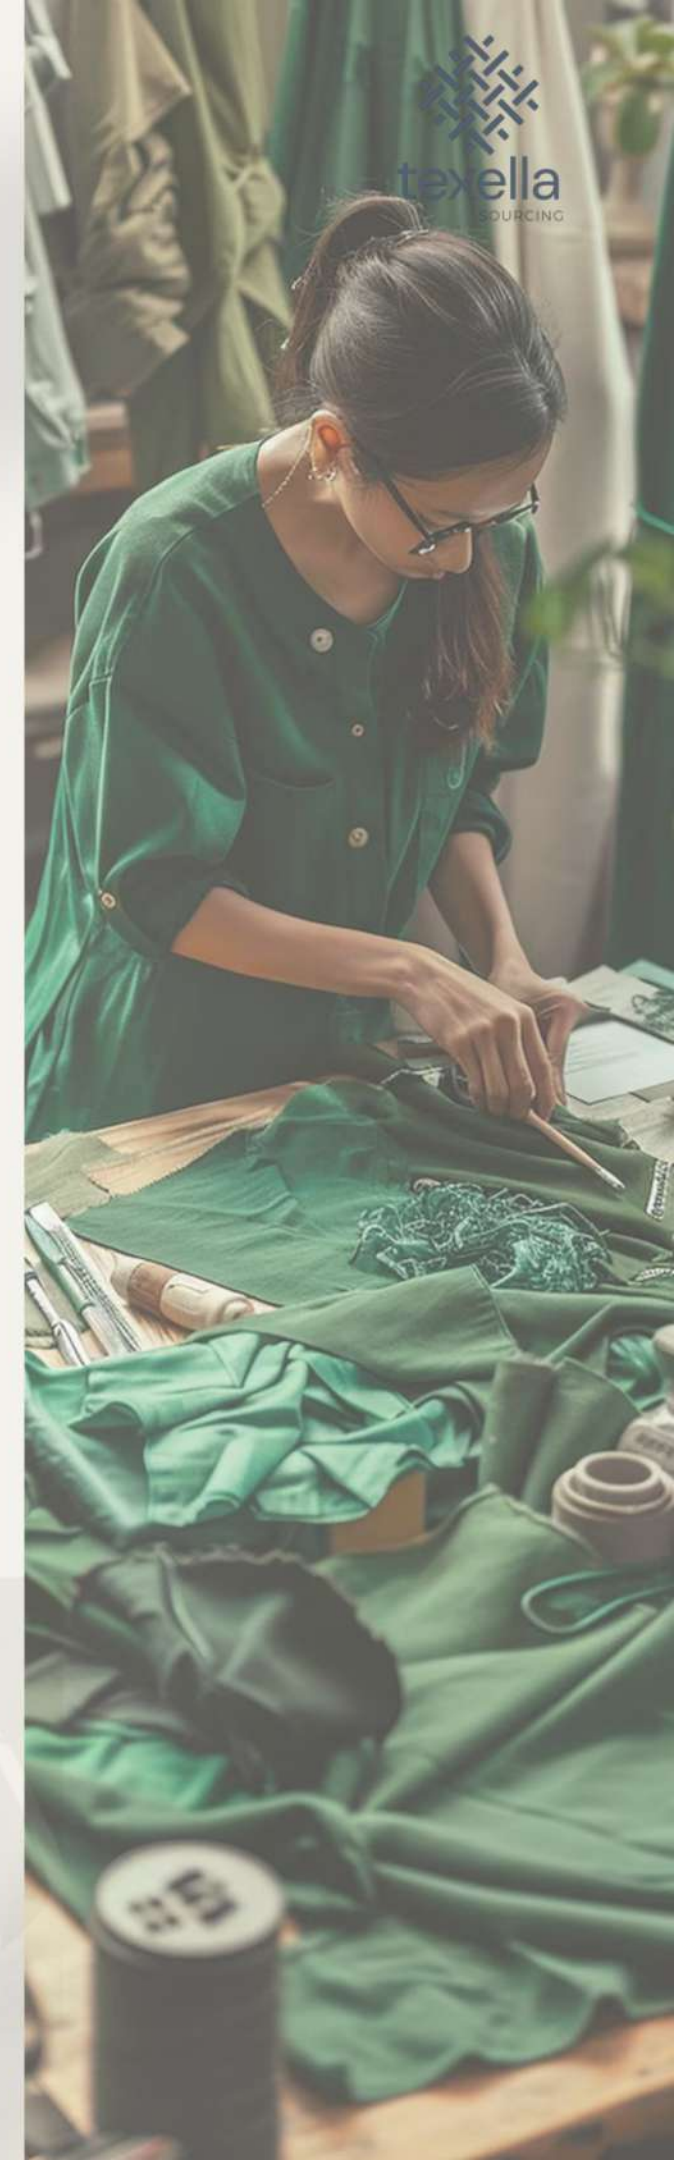

We integrate 3D design, digital prototyping, and advanced wash techniques to push the boundaries of apparel craftsmanship while reducing waste and production time.

Sustainability at the Core

Our design innovations align with sustainable practices, focusing on zero-waste pattern making, recycled fibers, and ethical production techniques to build a better future for fashion.

Agility & Customization

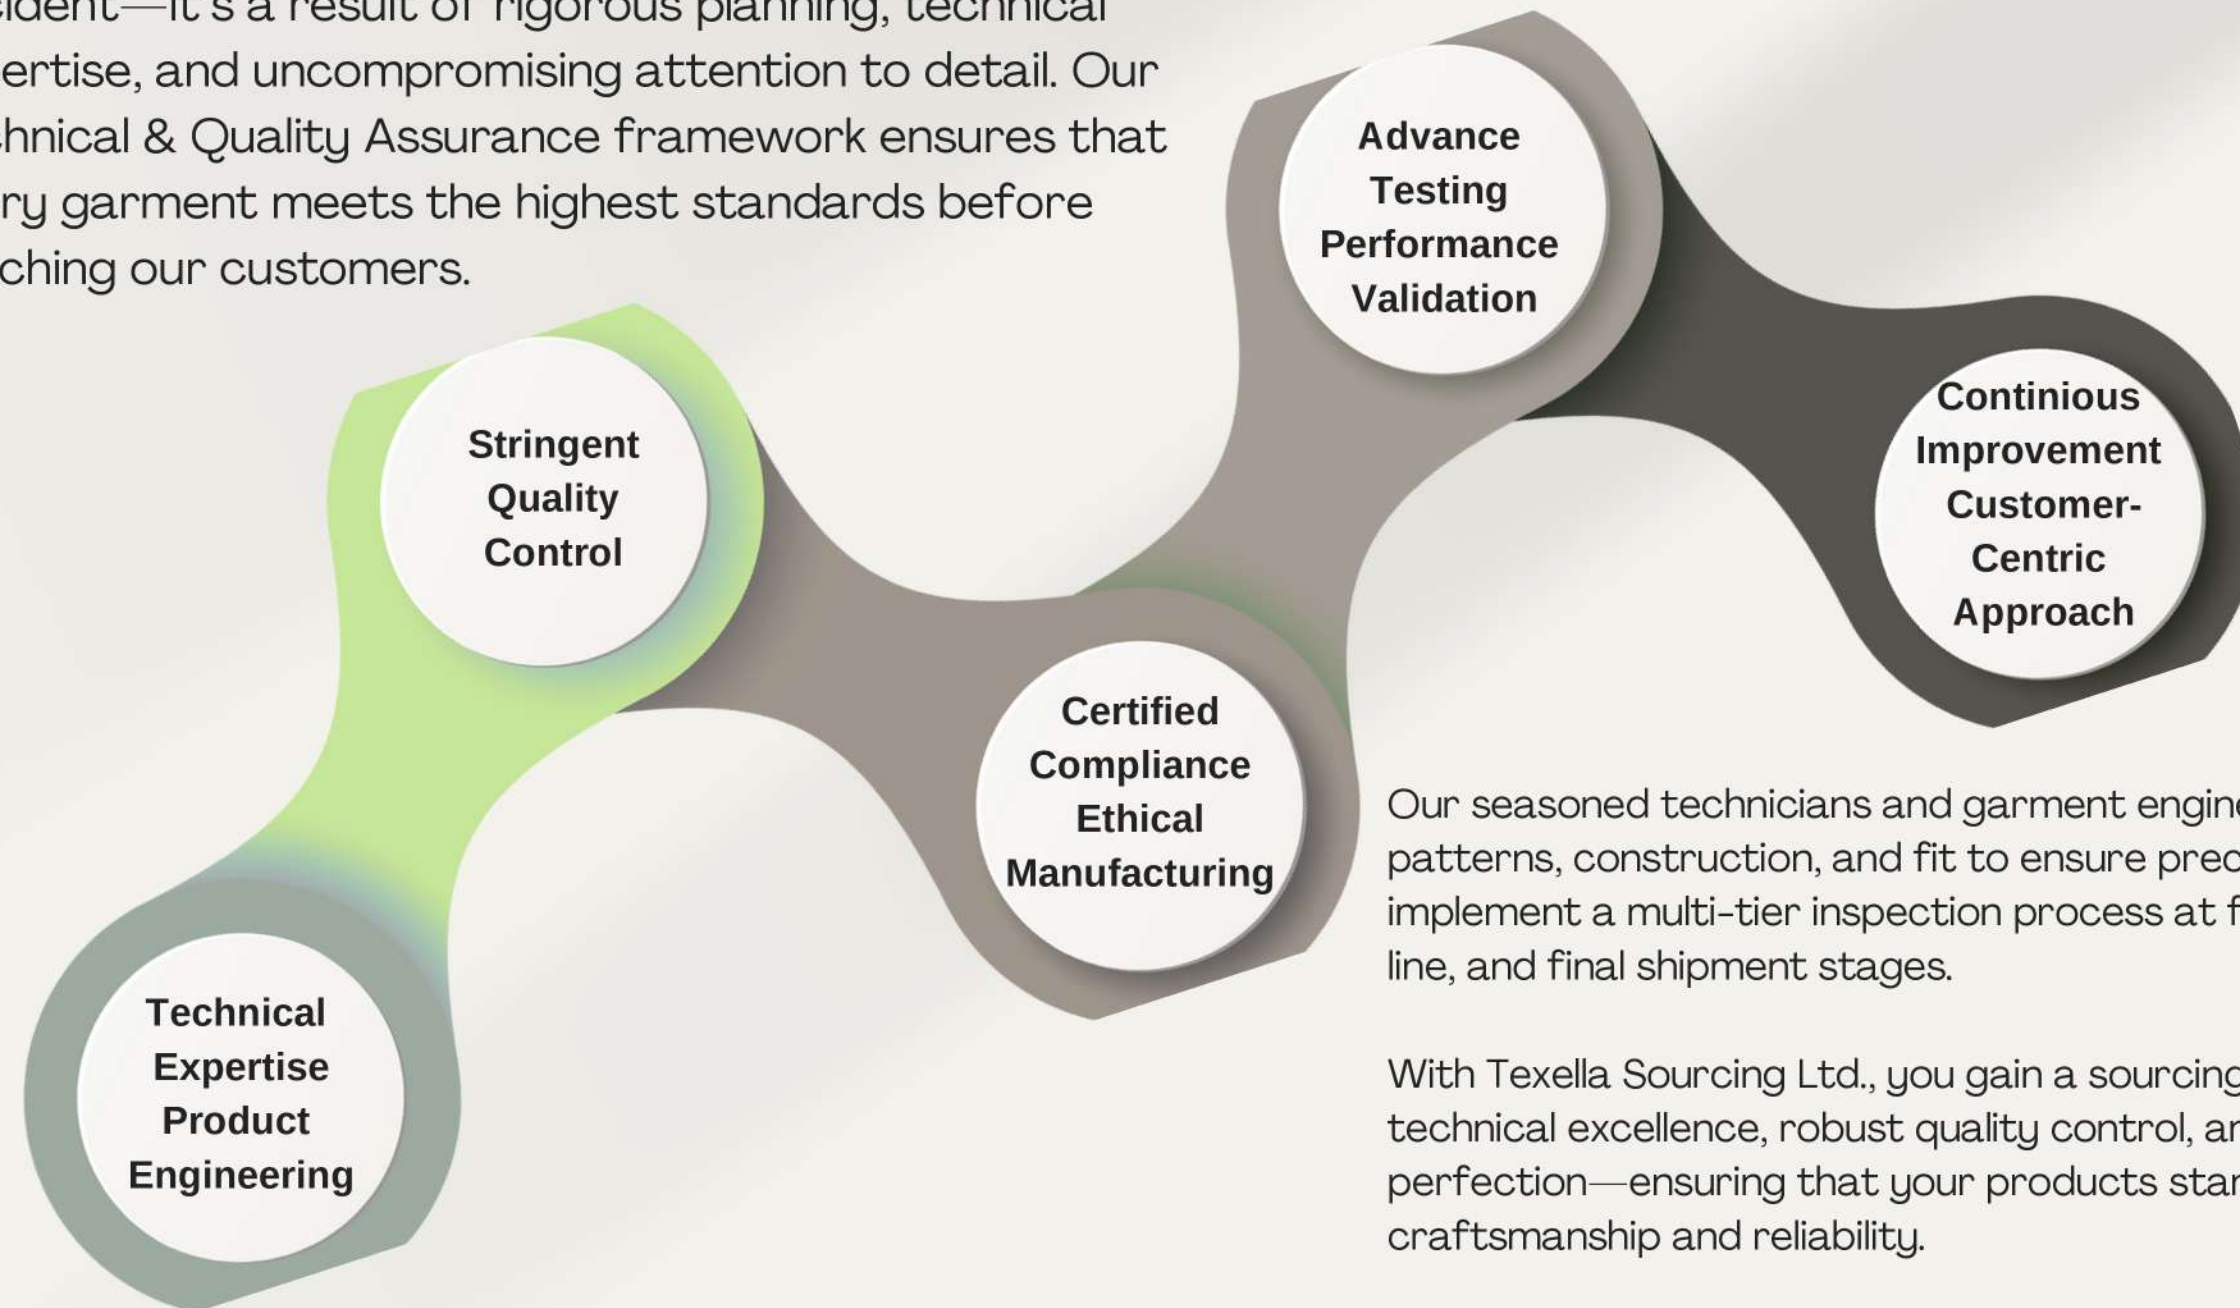

Whether you need a quick trend adaptation or a long-term brand vision, our agile design team ensures that every collection is unique, market-ready, and crafted with precision.

Precision in Technical Excellence

Competence in Quality Assurance

At Texella Sourcing Ltd., we believe that quality is never an accident—it's a result of rigorous planning, technical expertise, and uncompromising attention to detail. Our Technical & Quality Assurance framework ensures that every garment meets the highest standards before reaching our customers.

Our seasoned technicians and garment engineers meticulously analyze patterns, construction, and fit to ensure precision and consistency. We implement a multi-tier inspection process at fabric, pre-production, in-line, and final shipment stages.

With Texella Sourcing Ltd., you gain a sourcing partner that combines technical excellence, robust quality control, and a relentless pursuit of perfection—ensuring that your products stand out in both craftsmanship and reliability.

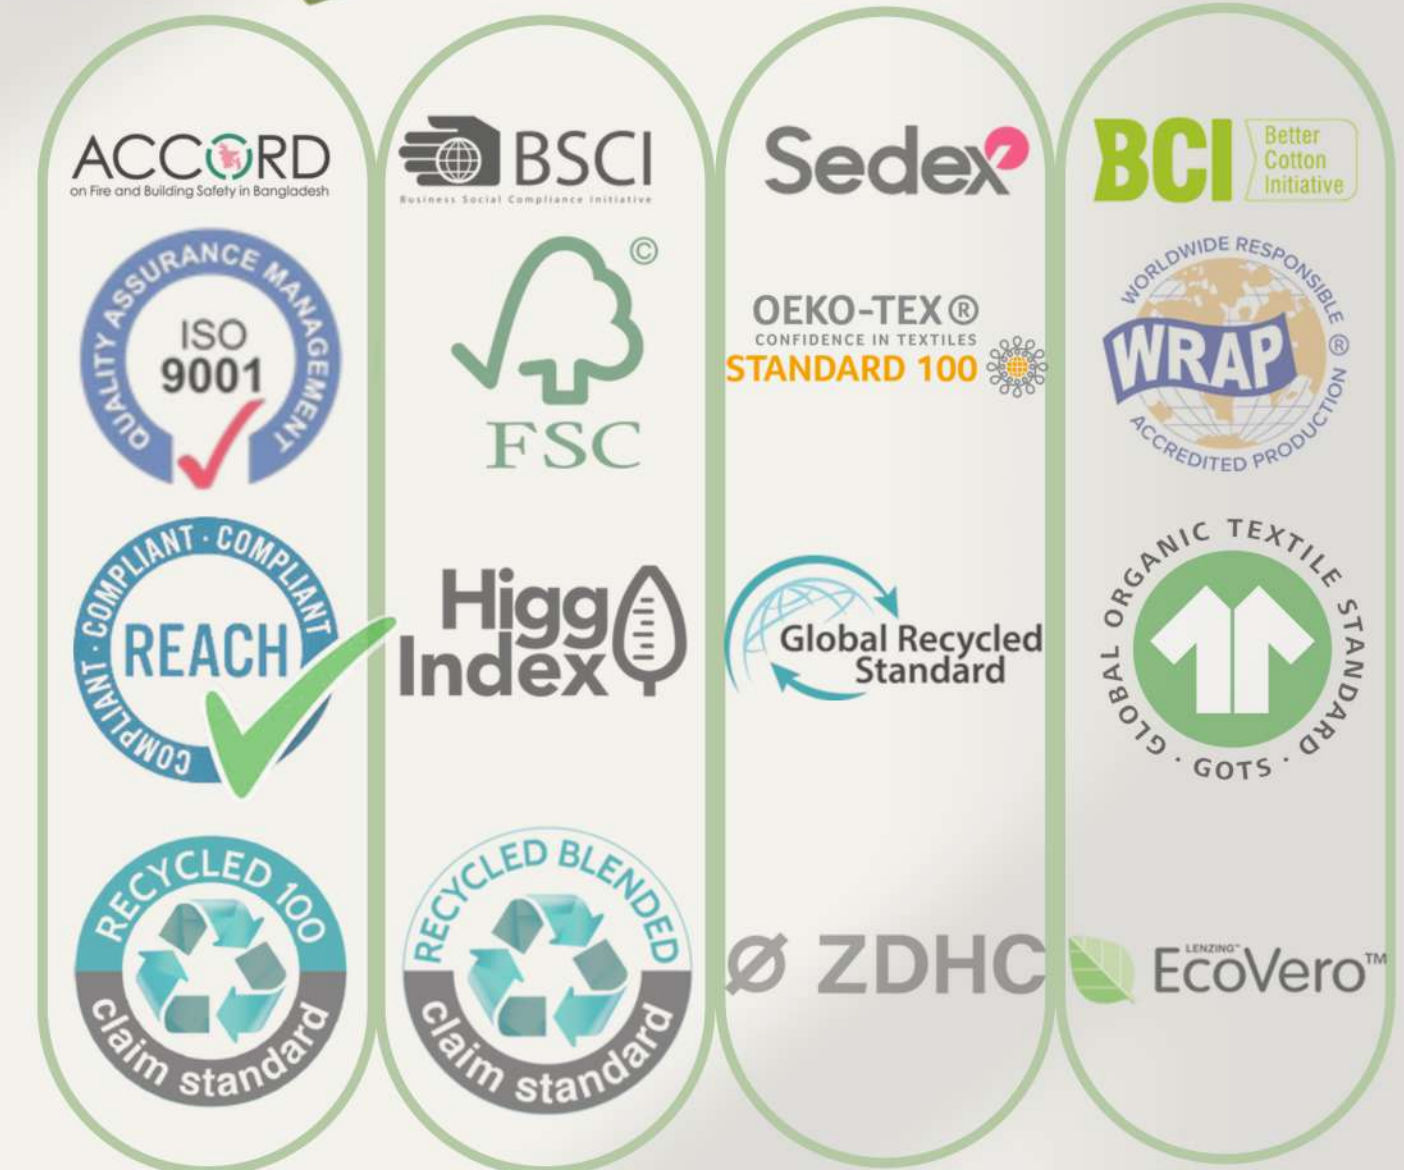

Proactive Merchandising

Agile Supply Chain Management

Sustainability & Compliance – Responsible Future

At Texella Sourcing Ltd., we don't just follow sustainability trends—we lead with responsibility. Our mission is to create a cleaner, fairer, and more sustainable supply chain that benefits both people and the planet. We collaborate with factories holding global certifications, ensuring fair wages, safe workplaces, and ethical sourcing.

Logistics & On-Time Delivery – Speed, Precision & Reliability

At Texella Sourcing Ltd., we understand that timing is everything. Our smart logistics network and agile execution ensure that every order reaches its destination on time, every time—without compromise. From raw material procurement to final dispatch, we streamline every step for flawless execution and zero delays.

Our strong partnerships with top-tier freight forwarders and customs experts enable hassle-free international shipping with the best routes and transit times. We design cost-efficient logistics solutions tailored to your needs—whether it's air freight for urgent shipments or sea freight for bulk orders.

With live shipment updates, proactive risk management, and swift problem-solving, we keep you informed at every stage. Punctuality is our promise. We meticulously plan production and logistics to ensure your orders arrive exactly when you need them.
